OTTAWA CANADA

: with Birds: Percy A. Taverner, Canadian Ornithologist, 1875-1947
JOHN L. CRANMER-BYNG

face and Acknowledgments 1

oduction 2

I Early years
Chapter 1 Percy Fowler 4
Chapter 2 Percy Taverner 5
Chapter 3 Getting a start in life 12

II Apprenticeship Years
Chapter 4 Ornithologist-in-the-making 18
Chapter 5 From amateur to professional 42

III Challenge of the National Musuem
Chapter 6 Museum development 1911-1914 49
Chapter 7 Museum problems 1915-1919 65
Chapter 8 Field collecting 78
Chapter 9 Bird protection 88
Chapter 10 Birds of eastern Canada 100

IV Ornithology in a wider perspective
Chapter 11 Birds of western Canada Part I 110
Chapter 12 Birds of western Canada Part II 122
Chapter 13 Meeting of the American Ornithologists Union, Ottawa, 1926 133
Chapter 14 Strains at the centre: Percy Taverner and Dr. Anderson 142
Chapter 15 The widening field of studies I, 1928-1936 158
Chapter 16 The widening field of studies II, 1936-1942 172
Chapter 17 In retirement 187

Page

nn Macoun (left) and Percy Taverner (right) on a field outing, probably upriver of Chaudiere Falls, Ottawa, in June 1911. ..... front cover

verner family photo taken at Ann Arbor, Michigan, 1889. Percy age 13, Ida Clare age 2. 7

e taxidermy shop of Oliver Spanner and Company at 358 Yonge Street, Toronto. 13

verner preparing a skin in the Great Lakes Ornithological Club "shack" at Point Pelee, 30 May 1909. 31

ve members of the Great Lakes Ornithological Club at club's "shack" near the end of Point Pelee, 3 October 1909. Left to right: J. S. Wallace, B. H. Swales, W. E. Saunders, J. H. Fleming, P. A. Taverner (seated on steps). 35

otograph of Northern Saw-whet Owl taken by Taverner at Point Pelee 15 October 1910. 39

e Taverner house, 45 Leonard Avenue, with construction near completion in 1912. 59

ctoria Memorial Museum Building, about 1913. 61

rly exhibit hall and visiting public at the Victoria Memorial Museum, 1912. 63

rple Martins at martin house designed by Taverner. Photographed by Taverner in the garden of his home in Ottawa in the summer of 1916. 71

annets on bird cliffs on Bonaventure Island, 1915. Photograph by P. A. Taverner. 83

e wheel of the *C. S. S. Princess*, 1915, from the left: P. A. Taverner, Captain Chalifour, and C. H. Young. 85

M. Sternberg's field camp, Red Deer River, Alberta, 1917. Standing: Dr. R. L. Rutherford (University of Alberta), P. A. Taverner, C. M. Sternberg, C. N. Young, C. H. Sternberg, Dr. J. A. Allan (University of Alberta), three unidentified assistants are seated in foreground. 87

verner in an open boat with an outboard engine while exploring the Rideau waterway system between Ottawa and Kingston in search of birds in June 1918. 89

lection from Chester Reed's *Bird Guide* (1912) vest-pocket edition. 100

ield camp, Eastend, Saskatchewan, 1921. P. A. Taverner, Alan Sampson, and H. M. Laing. 117

soyoos Meadows" [Osoyoos] south Okanagan, British Columbia, 14 May 1922. Left to right P. A. Taverner, A. C. Brooks, T. L. Thacker, C. De B. Green. 119

aseux Lake, Okanagan, British Columbia, 31 May 1922. Left to right, standing: Brooks, Taverner, Frank Farley; left to right, seated: Hamilton Lang, George Gartrett, Alan Sampson. 121

eaverhill Lake, Alberta, August 1925. P. A. Taverner and C. G. Harrold. 131

anadian Group Photograph taken at the American Ornithologists' Union 1926 Annual Stated Meeting, Ottawa, Ontario. 135

professionally taken portrait of Percy Taverner framed with the words "Sincerely P. A. Taverner taken about 1927". 139

seph Dewey Soper upon return to Cape Dorset after surveys run to Nuwata across the interior of Fox Peninsula and from there east to Ungmaluktuk Lake and south to Gordon Bay during March 1929. 149

photograph received by Taverner in January 1930 from someone as a gift. 151

udolph Martin Anderson, May 1934. 155

rmit to capture migratory birds for banding purposes only in the Province of Manitoba to Mr. P. A. Taverner for the year 1931. Signed by Hoyes Lloyd on behalf of the Minister of the Interior, and countersigned by the Director of Game and Fisheries, Province of Manitoba. 170

. E. Saunders (right) relating some experience to his old friends Taverner (left) and Fleming (Centre) at the American Ornithologists' Union annual stated meeting at Charleston, South Carolina, November 1937. 179

averner photographing a Semipalmated Plover at Bird, Manitoba, on the newly constructed Hudson Bay Railway in 1936. 181

averner in retirement with his favourite dog Sinbad, taken in 1944 or 1945 at 45 Leonard Street. 195
